Harry: Never. We will fight this out on the edge of the Grand Canyon. The winner gets Hermionie.

Hermione: Uh-oh!

Strngley Harry lived at the edge of the Grand Canyon. So they were there in a moment.

Harry: Now I'm gonna knock you so hard you'll only know my fist hit you...wait, I mean you won't know what hit you.

Ron: Just shut up and fight!

Harry: Okay.

Harry easialy puched ron and ron fell off the canyon like a marshmellow. As Hermionie walks over she trips on a rock and falls into the pit.

Harry: What the heck!

Then a Cloaked figure comes up to the canyon and places a time bomb on a hanging ledge of the conyon. Fortunatly, Ron sees the figure (not the bomb) and pull out his cork pop-gun and fires. He didn't aim so it knocked Harry flat on fis butt.
